

# THE STATE GOVERNMENT OF OSUN (IPINLE OMOLUABI)

## OFFICE OF THE HEAD OF SERVICE, SECRETARIAT, OSOGBO

On Wednesday, 10th February, 2016, the State Government of Osun appointed, in public interest, new Medical Doctors to replace serving Medical Doctors who walked out of their various posts in the State's Public Service unilaterally on their own volition since Monday, 28th September 2015. However, other eligible Medical Doctors are encouraged to apply as vacancies still exist for various positions in the Medical Officer cadre of the State of Osun Public Service.

***Whereupon, the State Government of Osun hereby requests for applications for employment from suitably qualified candidates both in Nigeria and the Diaspora for the under-listed vacant position in its Public Services:***

### **MEDICAL OFFICER, GRADE LEVEL 12 (CONMESS II)**

#### Duties:

- (i) Carrying out general medical duties in a government hospital
- (ii) Practising in an area of specialty in a government hospital under the supervision of a consultant.

#### Qualifications:

Candidates applying for this position should possess a degree in medicine registrable with medical and dental council of Nigeria (MDCN) from a registered institution plus at least one-year post-registration cognate experience.

#### Remuneration:

Emoluments of successful applicants shall be settled in tandem with the modulated wages agreed with the labour unions being paid by the State Government of Osun as a corollary of the present economic realities in the country.

#### Method of Application:

Medical Doctors, including those who were formerly in the employment of the State of Osun Public Service, who are still willing to take up appointments in the State of Osun Public Service under the above-stated terms and conditions are hereby enjoined to call at the State Hospitals' Management Board for employment forms for processing.

Interested Medical Doctors who are in the Diaspora are to send their application to:
